NOTICE OF FILING DIRECTOR'S REPORT FOR BASIN 97, PART 1, WATER RIGHTS

The Director of the Idaho Department of Water Resources ("IDWR") has filed with the Idaho Water Adjudication ("IWA") District Court the Director's Report for Basin 97, Part 1, Water Rights ("Director's Report"). A map of the area covered by the Director's Report is attached to this Notice. The Director's Report contains the Director's recommendation to the IWA Court as to how each of your claimed water rights should be decreed in the Clark Fork-Pend Oreille River Basin Adjudication ("CFPRBA"). The Director's Report also includes General Provisions for Basin 97, Part 1, which may apply to your water right.

Why am I getting this mailing?

You have received this mailing because you filed one or more claims in the CFPRBA. This mailing contains the Director's recommendations to the IWA Court of your claims. IDWR is providing individual reports like this one to all claimants of water rights in the Basin 97, Part 1, area. Your mailing **does not** contain the Director's recommendations of any claims other than your own. Should you wish to review the Director's recommendations of other claims in Basin 97, Part 1, you may do so. Instructions are found below for reviewing the water rights of others.

INSTRUCTIONS FOR REVIEWING YOUR OWN WATER RIGHT

The description of your right, which is enclosed, is only the Director's *recommendation* to the IWA Court on your water right. The Court will decide how it will decree your water right. You are free to agree or disagree with the Director's recommendation. If you agree with the Director's recommendation, you do not need to do anything, pending further notice as described below. If you disagree with the Director's recommendation, you need to file an objection as described below.

INSTRUCTIONS FOR REVIEWING THE WATER RIGHTS OF OTHERS

The complete Director's Report for Basin 97, Part 1, Water Rights contains recommendations to the IWA Court of your water right and other rights in your area claimed under state law. The Director's recommendations in the report are listed in two sections of the report:

- 1) List of Recommended Water Rights--**Water right recommendations are listed numerically by water right number.
- 2) List of Claims Recommended to Be Disallowed--**Water rights recommended to be disallowed are listed numerically by water right number. A short statement of the reason for IDWR's recommendation for disallowance is provided.

IDWR will recommend for disallowance those water rights that may have existed at one time but are currently unclaimed in the CFPRBA for Basin 97, Part 1, in a separate, subsequent Director's Report. In other words, if the right was not claimed in Basin 97, Part 1, the recommendation for disallowance is forthcoming in another Director's Report.

If you want to review someone else's water right, you need to look at the complete Director's Report which is available at the IWA Courthouse in Twin Falls and at the locations listed at the end of this notice. Copies of the complete report can be made, but you may be charged for copying and mailing. Maps of the reporting area, as well as other information pertaining to the CFPRBA can be accessed on the internet (see enclosed "Water Right Research Using IDWR Internet Tools").

INSTRUCTIONS FOR TAKING A WATER RIGHT CLAIM TO COURT

What do I do if I disagree with a recommendation?

If you disagree with any element of the recommendation for your water right or anyone else's water right and want to be heard in court, you must file an objection with the IWA Court. Objections must be made on the standard objection form ("Standard Form 1") available from any IDWR office or from the IWA Court. You may also download a copy of Standard Form 1 from the CFPRBA website at: www.cfprba.idaho.gov.

Your objection must be **received** by the IWA Court on or before **Monday May 12, 2025**. A hard copy of the objection must be mailed to the claimant of the water right and the Director of IDWR.

What do I do if someone else objects to my water right recommendation?

If someone files an objection to your water right, or anyone else's water right, you may file a response to that objection. Responses to objections must be made on the standard response form ("Standard Form 2") available from any IDWR office or from the IWA Court. You may also download a copy of Standard Form 2 from the CFPRBA website at: www.cfprba.idaho.gov.

Your response must be **received** by the IWA Court on or before **Monday, July 28, 2025**. A hard copy of the response must be mailed to the objector to the water right, the claimant (if different from the objector), and the Director of IDWR.

What do I do if I want to participate in the court case on someone else's water right?

If you want to be involved in the court case on any water right in the Director's Report, you must file either an objection or a response by the dates listed above.

What happens if there are no objections to a water right?

After the deadline for filing objections and responses, IDWR will file a list of all water right recommendations with no objections. The IWA Court will hear the uncontested recommendations on **Tuesday, January 20, 2026 at 2:00 p.m. (Pacific)** at the IWA courthouse in Twin Falls. Interested parties may attend the hearings at the IWA courthouse, via Zoom, or over the phone. See the “Remote Access Information” on the IWA court website for instructions to connect. Partial decrees will be issued following this hearing.

How will I know about the proceedings on water right recommendations to which objections were filed?

A notice will be mailed to you for court dates on your water right or for those where you filed an objection or a response. You will not receive notice of court dates on any other water right recommendations.

Additional information regarding water right claims can be found on the IWA Court’s website at: www.cfprba.idaho.gov.

Note: The IWA Court publishes a monthly Docket Sheet listing all objections and responses filed, as well as when Director’s Reports are filed. It provides general information helpful to all participants in the CFPRBA. The Docket Sheet does not list court dates for individual water right cases.

The Docket Sheet is available at your county courthouse and all IDWR offices, or you may subscribe by contacting the IWA Court or IDWR. The annual subscription fee is \$7.50. The Docket Sheet is also available on the IWA website at: www.cfprba.idaho.gov.

The register of action for each water right claim can be found on the CFPRBA website at: www.cfprba.idaho.gov. The register of action includes links for viewing and/or downloading the documents identified in the register of action.

***What if a water right is not in this report? What if a water right claim is filed late?
How do I get notice of IDWR’s recommendation for a late claim?***

A water right for Basin 97, Part 1, may not be included in this Director’s Report if it was not filed in time for IDWR to investigate and report. These water rights will be reported at a later time in a Director’s Report for Late Claims. This report may include recommendations for Basin 97, Part 1, as well as recommendations for other reported CFPRBA basins. This report is usually issued once per year. It is the responsibility of all parties to check this report carefully for water rights to which they want to object. No special notice will be sent to you unless you have an ownership interest in a water right being reported. Therefore, if you are interested in the status of water rights belonging to other people that have not yet been recommended by IDWR, you should periodically check the IWA Court’s docket sheet or the Court’s website located at www.cfprba.idaho.gov.

IMPORTANT INFORMATION REGARDING GENERAL PROVISIONS

General provisions are those parts of the IWA Court's decree that apply to all the water rights in a basin, or to classes of similarly situated water rights within a basin. IDWR recommends to the IWA Court the general provisions it believes should be decreed in a basin when it files with the Court its Director's Report for the basin.

A copy of the general provisions recommended for Basin 97, Part 1, is also enclosed. The general provisions may also be viewed at the IWA District Court in Twin Falls or at the courthouses and IDWR locations listed below. You may also view the general provisions for Basin 97, Part 1, by going to IDWR's website at: <http://www.idwr.idaho.gov>.

Like water right recommendations, if you disagree with the recommendation for general provisions and want to be heard in court, you can file an objection with the IWA Court. The deadlines in place for water right recommendations also apply to general provisions: objections must be received by the IWA Court on or before **Monday, May 12, 2025**; responses must be received on or before **Monday, July 28, 2025**. Objection and response forms are available from any IDWR office or from the IWA Court. You may also download copies of these standard forms from the IWA website at: www.cfprba.idaho.gov.

It is possible that in the future the IWA Court will entertain recommendations for additional general provisions for Basin 97. Should that occur, an opportunity to object to those additional general provisions will be provided. It is your responsibility to monitor the CFPRBA case through the Docket Sheet discussed above.

CHANGES OF ADDRESS OR OWNERSHIP DURING THE CFPRBA COURT CASE

You must contact your regional IDWR office with your address change or if the ownership of your water right changes. Failure to notify IDWR may result in the loss of your water rights.

ADDITIONAL INFORMATION

If you have questions about the CFPRBA, public information brochures are available at any IDWR office. Maps and aerial photography of this reporting area, as well as assistance in using the maps and the photography, are available at the IDWR regional office nearest to the location of your water right. You are also welcome to call IDWR at any of its offices or the IWA Court. You may also want to consider contacting an attorney to assist you.
